

MAX MUSCLE NEBRASKA PRESENTS

MAX MUSCLE

# SUPERHEROES

*"Max Muscle Is Lincoln's Authority on sports nutrition without their help I wouldn't be a Max Muscle Superhero"*

*What is your current supplement regimen?* Too long to list everything but the basics are maxpro, vitacell, healthy fats, glutamine, and bcaas.

*What is your favorite Max Muscle product, and why?* I would have to say afterglow it tastes amazing and doesn't bother my stomach like a lot of other post-workout drinks I've had in the past.

*Any comments you would like to add?* Max Muscle is Lincoln's authority on sports nutrition and without their help I wouldn't be a Max Muscle Nebraska Superhero. I would also like to give props to Pathogins Ink Photography they are responsible for the photos you see here, check them out at [ww.pathoginsink.com](http://ww.pathoginsink.com).
