

Max Vit-Acell

Emusol® Micellized Enhanced Delivery System†

Fast Acting Liquid Multi Vitamin Mineral Plus Over 80 Vitamins, Minerals & Nutrients

A revolution in vitamin mineral nutrient delivery has just arrived at your Max Muscle store. **VIT-ACELL™** ~ a breakthrough in the way you take your daily vitamins. Through a proprietary delivery system called EMUSOL® Micellized, **VIT-ACELL™** gives you a high potency, great tasting way to get your nutrients.

With 100% or more of the Daily Value of 11 Vitamins and over 60 Minerals and Trace Nutrients this formula starts you with everything you need to support athletic performance, muscle growth and recovery, as well as great overall health. The formula doesn't stop there, it just keeps getting better. There are 2 grams of L-Glycine, the amino acid that supports growth hormone production. Your joints need nutrition too so there is 500mg of Glucosamine Sulfate 2KCl for healthy joints. Antioxidants like green tea and grape seed help fend off the environmental insults. Ginkgo Biloba and Korean Ginseng were added to energize the mind and body. There are even digestive enzymes to help support your stomach and intestines. All of these ingredients are made even better when combined with the patented delivery system.

EMUSOL® Micellized is a patented delivery system by which all of the nutrients in **VIT-ACELL™** are rendered more readily absorbable. This process involves creating something called a micelle. Micelles are like little bubbles that surround the nutrients in the formula making them more compatible with the natural body function of digestion and absorption. This revolutionary delivery system makes **VIT-ACELL™** even more amazing!

With its great orange citrus flavor **VIT-ACELL™** is easy to use and easy to swallow. No more pills or powders to choke down. Some people like to add it to an 8oz glass of cold water which makes for a refreshing orange flavored drink. Make **VIT-ACELL™** your new daily vitamin nutrient supplement. Your mind and body will feel the difference!

Size: 32 fl. oz. (960 ml)
Serving Size: Two (2) tbsp (30 ml)
Servings Per Container: 32
Flavor: Orange Citrus
